Attached is email to the database as private

and the two attachments on the back end make them available to view.

The emissions components have a five year & 5k hrs warranty.

I had Chris register us as the owners so that the warranty is activated this way it doesn't expire next month.

Thank you,  
**Victor Seropian**

Victor,

The warranty paperwork has been registered. They are under the factory warranty until 10/20/2020.

Thanks,

**Christopher Ricketts**
