

AS SHIPPED [RRA]

MARCH 20, 2014

For Help Desk Phone Numbers [Click here](#)

Note: As Shipped tab will be renamed to "Order Invoice with Engineering Breakdown" in the coming months.

 **Caution Ordering Parts from TMI As Shipped**

As Shipped information is provided by the orders system, once you click breakdown of a part, TMI pulls the information from the Engineering Data System (EDS).

EDS is not a manufacturing bill of material system but a engineering part in effect system. TMI uses the built date and calls EDS to pull the part in effect at that time.

Recently, TMI added an as manufactured tab. This tab provides the consist as reported from the engine factory. This data is limited but growing for new manufactured engines. To see an example enter "WRH00104"

To validate you are ordering a correct part, TMI encourages you to contact Morton Parts. 800-566-7782 or tech_support@cat.com

The below option will email full breakdown of the serial number
