Subject: Available Equipment

Mike,

Thank you for updating us today on what equipment remains available. We have pictures of the two Ingersoll-Rand/Centec units (With the 900HP Siemens Motors), the two large tanks, the Atlas Copco Unit, and photos of one of the Ingersoll-Rand Chiller Dryers. (Please see the attached PDF) We had been under the impression that there was only one Ingersoll-Rand Chiller Dryer available, but if two are there please let us know and if possible take a snapshot of that for us. Thanks again!

Best Regards,

*Nik Wachlarowicz*
