Ron,

Thank you very much for your reply,
no worries, were still interested in the units with or without the switchgear.

Can you please send us the updated invoice for \$40,000 USD.

Also if you can provide us with the serial numbers of the engines when possible that would be much appreciated?

Thank you, looking forward to your reply.

The switch gear is NOT included...it's off limits, at this time, by the Casino. As you can see, it would take expert removal, and therefor they have placed it off limits as it's tied into the overall plant management.

Hi Ron,

When will the switch gear be removed I assume it's included with the gensets?

Ron,

We can do wire transfer for \$40,000 tomorrow. Price includes removal and loading on our trucks.

That is the best we can do sir.

Thank you, looking forward to your reply.

Victor, I must decline

- We have a valued client that has presented an offer within a few thousand, and he'll do all the rigging/crane
- We'd have to have from you a firm wire transfer at time of sale, not a cc that can be challenged or backed out of by your sales team
- We're down to the wire on removal within our time frame on site. The competition is ready to move very soon.

If you can counter to our original terms of \$50,000, on truck, wire transfer tomorrow,,,,we can reconsider. Your window is closing.....
