Victor,

The engine originally came out of a generator package.

The engine has 2x s/n's the Cat Dealer is saying that the engine is currently built to s/n 4XF80248 a/r 7C8116. The original s/n was 27Z737.

Asking price \$35,000 USD

Pics show engine before it was torn down and found out unit was not completely overhauled. Like I said it has new has new cylinder packs.

Regards,

Mike Sloane
