Commercial 215 kW standby backup generator cummins diesel - \$29000 (Naples)

make / manufacturer: I

model name / number: Metal /stone

I have a 215 KW Baldor backup generator that has never been used. It retailed almost \$70,000. hand runs on propane or natural gas. This is ideal for large offices, restaurants, convenient stores, gas stations, grocery refrigeration. If you would like more details, I can email the specs, etc.

If you would like to see it or have questions, call or text 239-289- one-three -five-seven.
