Victor,

Here is a 1985 Caterpillar 750kW Diesel Generator Set that will be available next Thursday, August 27, in Orlando, FL. Please see the attached images and the information below.

Manufacturer: Caterpillar

Model # 3508

Generator Model # SR4

Serial # 6NA00580

Generator Part # 5N0559

KW Rating: 750

RPM (Rotation): 1800

Cycle (Hz): 60

MFG Date: 1985

Fuel Type: Diesel

Enclosure: Open Skid

Radiator: Attached

Hours: 784

Location: Orlando, FL

This unit was recently fully repaired by the local Caterpillar representatives for the hospital it is coming out of. Before the repairs were complete, the hospital changed their mind and decided to buy a new generator set. Therefore, this generator set was just repaired, is fully functional, and in good working order. The crew on site is removing this generator set next Thursday, August 27
