These goods, technology, or software were exported or re-exported in accordance with all applicable laws; diversion contrary to any applicable laws is prohibited. In accordance with U.S. export control laws, the following Destination Control Statement applies to all goods, technology, or software exported from the territory of the U.S. regardless of origin, as well as to all goods, technology or software exported or reexported from outside the U.S. that are subject to U.S. jurisdiction due to U.S. origin, content, or technology.

These items are controlled by the U.S. government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.
